DON’T FORGET TO FALL BACK

SUNDAY

NOVEMBER 7, 2021

REMEMBER TO SET YOUR CLOCKS BACK 1 HOUR
After a nice summer we are finally getting a touch of fall weather.

With fall also comes hunting season, we have some beautiful walking trails at Woodside, but we need to take precautions this time of year.

Hunting is allowed in the Southern Woodlands Reservation, the link below is to the Martha’s Vineyard Land Bank Commission.

http://www.mvlandbank.com/

The Land Bank’s site will be able to give you more detail about the hunting season.

We have started our winter preparations; the outside water will be shut off and the hoses stored for the season. For those of you who would like to have your air conditioners removed and stored for the season please just put in your work order.

Hope everyone has a safe and enjoyable Thanksgiving.

Special Heroes of IEH

Nominate a friend or neighbor at IEH who has done something special to help you during this past year. “Something special” could be — they gave you a ride to an important appointment or maybe they helped you with a project. Maybe they brought you some delicious food when you were not feeling well or helped you clear the snow from your car.

Who would you like to recognize as having done a kind and thoughtful thing during the year?
