FROM THE MAINTENANCE DEPARTMENT:

If you have not noticed the days are getting noticeably longer, that means spring training is right around the corner.

I hate to sound like a broken record, but please observe the speed limit while driving on Village Road. I see quite a few people walking on the road, many of them walking their dogs. Please be mindful of our Oak Bluffs neighbors using the ancient ways; especially where Old Holmes Hole road crosses Village Road. I have seen horse and riders enjoying these trails.

We all share the same planet, and everything that we can do to help the global environment is critical; not only for this generation, but for future generations. We have recycling bins located at all the buildings, with instructions on the lids about what can be recycled. Please recycle as much as you can,

So it looks like we will have to wait for another year for a Packer Vs. Patriot Super Bowl match-up. Go Red Sox’s

Greg Monka
I wish to thank Cole Blodgett (Woodside Resident) for donating many garden tools to the residents of the Woodside Community Gardens who have a bed or two. It was so very thoughtful of him to think of asking me and I certainly appreciate his offer. Many tools help those who may not have all that is needed to help with their garden bed, so Hurray for Cole……

Phyllis Dunn,
Coordinator of the Woodside Community Garden

Rent Collection Policy Change: The Rent Collection Policy is changing effective March 1, 2022. The only change is that we will now accept debit and credit cards for rent payment.
