Could it be? Is spring finally here? Is winter finally over? Can we start thinking about spring training?

With gas prices on the rise, those of you with vehicles should check that your tires are properly inflated. If your tires are underinflated just 6% (2-3 psi) you may lose up to 5% in gas mileage.

In April we have our septic systems serviced, we will be having a new company service us this year, Russell Rogers has retired (he wants to play more golf).

Our staff is always busy with a wide variety of projects, but we are always able to take care of the residents work orders. If you need to have any repairs done, please fill out a work order and leave it for us to pick up.

If you have any questions, please do not hesitate to contact me.

IEH Maintenance Director

Hello Spring and Happy Easter!

Spring is the time for renewal, time for gardening, enjoying the outdoors and Spring Cleaning!

Now that the weather is turning warm, it’s a good time to remember to check your dogs for fleas and ticks.

The dental clinic will be held April 14 & 15 at Woodside 2 Community Room. Please remember to call 508-696-0020 ext 101 to make an appointment.

The Island Food Equity Program is conducting a survey to help find gaps in the food needs of the Island elderly population. They will be distributing a survey to all residents the first week of April. Please consider completing the survey to help this worthwhile program. Thank you.
