MAINTENANCE REMINDERS

Happy Spring, from the Maintenance Department!

It has been a very busy few months. Let me tell you a few of the things that maintenance has been up to.....

We pruned the trees outside the garden behind Woodside 1. A big shout out to Mahoney's. They donated flowers for Woodside 1 and 2 and we are very thankful!!

We replaced some windows at Woodside 2 that needed replacing.

We were able to resolve some drainage issues at the Love House and repair some fencing.

At Hillside Village, we rebuilt 2 dumpster enclosures at B building and C/D building. We are also preparing to replace the split rail fencing where needed, in all of Hillside 1 in the next few weeks.

At Aidylberg, we delivered loam for the residents and purchased a picnic bench for the outside area.

We are gearing up to start some bigger projects like sweeping the parking lots and repainting all the lines.

We are also catching up on outside projects. If you notice a landscape issue that has not been addressed, we would appreciate if you let the Maintenance department know. Please do not trim, cut or prune the grounds.

Thank you for all your patience as we took care of some plumbing issues. We are currently working on some resolving some electrical issues. That is all for now, remember to put your Work Orders in if you want your Air Conditioners installed..... Mary Kay

There is a change in the Garden this year- Phyllis Dunn who has been the Garden Coordinator for at least 7 years has asked [Eileen Lauinger](#) to step in as Garden Coordinator. Phyllis has taken great pride in the Community Garden and in the short time we have taken to speak about her tenure, it has been a joy for her to be at the helm. As she said to me "It is time to move on and let someone else enjoy the task" Thank you very much Phyllis!

At Woodside 1 the sitting room facing the Community Garden has been named The Garden Room. It will be an area for Residents who produce artwork to display their finished pieces if interested. Please sign up for a month by contacting Mary Gosselin, Service Coordinator (508) 693-7009
