MAINTENANCE DEPARTMENT

It's May!

Here's some of what the Maintenance Department has been up to...

After the repainting of the Woodside One Community room, it's nice to see it open again for everyone to enjoy.

Our plan for May is to do some clean up inside and outside, trim trees etc. repair any fencing that is down and get the properties looking good after a long winter.

Remember, if you want something done, please submit a Work Order. Work Orders, in addition to letting me know what issue you are having, also let me know if you are ok with us entering your apartment when you are not there. It also provides IEH with a permanent paper trail and any special instructions you may wish to add. (I have a cat/dog etc.) Leaving me a voicemail isn't quite the same thing.

Thank you, Mary Kay

Air Conditioner Reminder

Please submit a work order to have your air conditioner installed.

PROPERTY MANAGEMENT OFFICE

Hello Residents & Happy Spring!

It is with great sadness that we share the passing of Mildred MacDonald, long time resident at Aidylberg Two. Our thoughts are with her family and friends.

It's that time of year to dispose of any electronics or small appliances at the Electronics Disposal Day, Saturday, May 18th 9-2 at the High School. A list of items and prices are posted in the Property Management Office or you can check the MV Community Services website: mvcommunityservices.org

Just a few reminders for the warmer weather:

Outside Areas: please dispose of broken pots or tools or anything that has accumulated that you no longer use.

Please do not cut trees or trim bushes around boundaries of property. If you have a concern about overgrowth, let the Maintenance Department know.

Outdoor grills can be used at a minimum of 10 feet from any building and away from any overhangs.

If you are having overnight visitors, please follow our Overnight Guest Policy and notify the Property Management Office of dates. Forms are conveniently located outside of the Property Management Office and can be dropped in the box at any time.

Bird Feeders: Only one birdfeeder permitted per unit. Pls. take note that the number of birdfeeders at certain buildings is contributing to the increase of pests.

Please give a warm welcome to our newest residents; Charlie Tucz at Woodside Village One, and Jennifer Parkinson at Woodside Six.

IEH Property Management Team: Marianne, Martha, Denise, and Lynn
