## FROM MAINTENANCE

Greetings from the Maintenance Department!

It's November, that means that everyone who hasn't removed their air conditioners yet, need to put in a Work Order for us to remove them before winter is upon us.

I want to thank Donaroma's once again for the donation of mums. I hope everyone was able to see the mums and pumpkins in front of each building.

At Hillside Village, maintenance has replaced all of the old split rail fencing with new posts and rails and it looks so good.

Over at Aidylberg, we have another project in the works of removing the old fencing and installing new stockade fencing along the driveway as you come onto the property. This should be completed in November. We also planted a 16 ft. Dogwood tree at Aidylberg 1 to replace the one that died.

The pergola covered in Wisteria in front of Woodside 1 was trimmed back and looks amazing.

I am always happy to see everyone when I walk around the property and hear suggestions or feedback about what we have done or still need to do, so thank you!

# PROPERTY MANAGEMENT

Hello Residents!

Woodside Village held a Fall Festival last month with cider and donuts. Thank you to everyone who contributed and attended. I look forward to seeing residents share more gatherings.

We appreciate your cooperation and understanding with the architect site visits viewing residents apartments and assessing needed upgrades. Annual HUD inspections will continue this month starting with Woodside Village. Dates and times will be posted in the lobbies.

It is with great sadness we share the passing of Brandy Taylor and Norman Gardner, residents of Woodside Village 1. Our thoughts are with their family and friends.

Please give a warm welcome to Nancy Nevin at Woodside II, and Malanie Dunn at Woodside III.

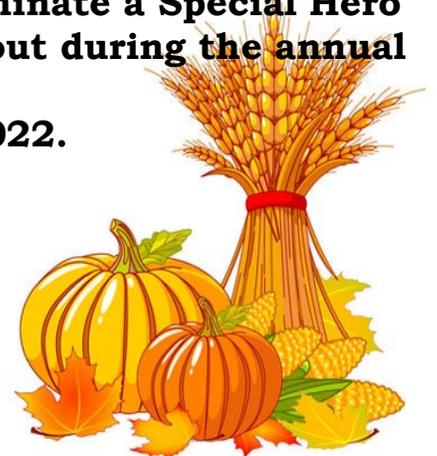

Some good news! Denise has heard that a Social Security Cost of Living Increase (COLA) of 3.2% will be happening effective January 2024. You should be receiving new Social Security Awards letters explaining your changes in December. Please keep these letters handy, as they will be important for recertification.

**If you witness speeding vehicles entering Woodside Village, please report to Property Management for resolution. Please do not take matters into your hands and follow the vehicle.**

**Our Annual Meeting will be held on two separate days; one for Hillside Village, and one at Woodside Village Two. Please see the invitation insert for dates and times. Please remember to nominate a Special Hero with Supportive Services. Awards will be passed out during the annual meeting.**

**Don't forget to Fall Back Sunday, November 5, 2022. Remember to set your clocks back 1 hour.**

***Happy Thanksgiving!***

*The MV Striped Bass & Bluefish Derby re-established the donation of fish filets and as an added bonus, Pete Pfluger from Woodside 1 had the terrific idea of contacting MV Smokehouse to inquire if smoking the leftovers would be possible. Indeed it was and Captain Nils Gustov Leaf of MV Smokehouse kindly donated his talent for preserving the edibles of our ocean. Mary Gazaille, Doug Searle and Sonya Lecouno all helped bag the filets as they were delivered each week!*

*If you are in need of a flu shot, they are available at the MV Hospital. Holly Nadler is hosting a book club, emphasis on enjoying each other's company and a good book! Feel free to contact her (508)274-2329. This month I will have a coffee hour with Aidylberg Village residents on Tuesday Nov 7th 11-12pm , please join! Melissa Knowles will be bringing students from the Charter School for visits to IEH, creating art, sharing their world and hoping to have a sense of what it was like to be in High School for IEH residents. Anyone interested in joining for refreshments and an informal meet and greet please contact my office at (508) 693-7009*

*Thanksgiving is around the corner, residents who would like a Thanksgiving meal delivered please contact my office leaving your name and apartment number and phone number.*
